Corals of Creativity

Bravo to our 3rd, 4th and 5th grade band, orchestra, and chorus students! Our beginner band students put on a wonderful production today during school hours and sounded smooth and practiced in their presentation. Our advanced band students shined with variety and confidence. On Thursday, June 8, our orchestra members will be performing for students during a morning concert with family and community members attending an evening concert beginning at 7:00pm. On Monday, June 12, Chorus members will perform a musical *Cinderella . . . If the Shoe Fits* for our students during a morning performance and for parents/community members at 7:00pm. Thank you to Mrs. Syverson, Ms. Sutton and Ms. Hammer for their top-notch celebrations of music.

While many exciting things are happening at school throughout the next ten days, we are working hard to finish out a successful 2016-2017 school year, while simultaneously preparing for 2017-2018. Now that we are in the home stretch of the school year, we ask your help in supporting us to keep the learning routine as smooth and productive as possible for the remaining days of school. Please remind your students to continue showing daily positive learning behaviors to ensure a successful end to an outstanding school year. (Dependable, Involved and Organized, Very Respectful....and full of Effort)

School Lunch Accounts

As the 2016-2017 school year winds down, HCPSS Food & Nutrition Services needs to ensure that all school lunch accounts are paid in full through the last day of school on June 14, 2017. The Food & Nutrition Services office sends emails to parents weekly indicating the student’s outstanding meal account balances. Please know that **outstanding meal charges needed to be paid in full by May 22, 2017.** Payments can be made either in the cafeteria with cash or at www.myschoolbucks.com.

All lunch account balances through the last day of school on June 14, 2017, will carry over to the next school year. The Food & Nutrition Services Office has accounts set up at schools for parents and community members who would like to donate funds to help pay for student’s outstanding charges as well. Please contact Food & Nutrition for further information.

Please also be aware that Board of Education approved the Meal Charge policy which will go into effect in the 2017-2018 school year. More information about the new policy will follow during the summer.

Your child's Thursday folder was sent home today. Please review for important academic information and general school notes and return on/before Monday. Thank you.
